

## **ST1221 McDowell Road Pedestrian Crossing**

This project will design a pedestrian underpass across McDowell Road. It will provide pedestrian access between Friendship Park and the planned Riparian/Recharge site. A \$75,000 MAG Bicycle-Share-Use-Grant has been approved along with a \$10,000 matching fund from the City of Avondale to fund the design. Future grants and City funding will be explored for construction of the pedestrian underpass.

***BUDGET: \$4,500,000***
